

Week 1 Manual test plan by Zhanyan Zhu

Check login page render correctly

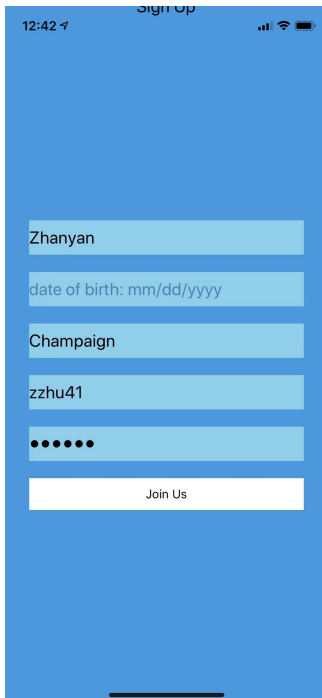

A screenshot of a mobile application's login screen. The background is a solid blue color. At the top, there is a status bar showing the time as 12:41, signal strength, and battery level. Below the status bar, there are two light blue input fields: the first is labeled 'username' and the second is labeled 'password'. Below these fields is a white button with the text 'LOGIN' in black. Below the button is a link that says 'Register' in a smaller, lighter blue font. At the bottom of the screen, there is a black horizontal line representing the home indicator.

Click on “register” and it should go to sign-up page.

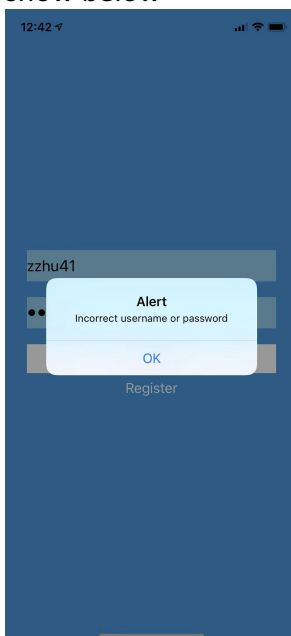

A screenshot of a mobile application's sign-up screen. The background is a solid blue color. At the top, there is a status bar showing the time as 12:41, signal strength, and battery level. Below the status bar, there is a title 'Sign Up' in white. Below the title, there are five light blue input fields: 'full name', 'date of birth: mm/dd/yyyy', 'location', 'username', and 'password'. Below these fields is a white button with the text 'Join Us' in black. At the bottom of the screen, there is a black horizontal line representing the home indicator.

Fill in all information needed and click “join us”

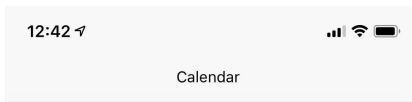

A mobile app sign-up screen with a blue background. At the top, the status bar shows the time 12:42, signal strength, Wi-Fi, and battery. The title 'Sign Up' is centered at the top. Below it, there are five text input fields: the first contains 'Zhanyan', the second has a placeholder 'date of birth: mm/dd/yyyy', the third contains 'Champaign', the fourth contains 'zzhu41', and the fifth contains six dots for a password. At the bottom of the form is a white button with the text 'Join Us'.

then it will go to the login page again, type in the account you just created
if type password or username incorrectly, it will pop up an alert window just as picture
show below

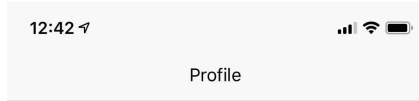

A mobile app login screen with a dark blue background. The status bar at the top shows 12:42, signal strength, Wi-Fi, and battery. The title 'Login' is centered at the top. Below it are two text input fields: the first contains 'zzhu41' and the second contains six dots for a password. At the bottom is a white button with the text 'Register'. An alert dialog box is overlaid in the center, with a white background and a light blue border. It has a title 'Alert' and a message 'Incorrect username or password'. At the bottom of the dialog is a blue button with the text 'OK'.

Enter username and password correctly will go to the main page,
Which has calendar tab and profile tab
